An aerial view of a vibrant, stylized public square. The square is filled with people and features a large, colorful carousel with a red and white striped canopy. The surrounding buildings are designed in a whimsical, fairytale-like style with colorful facades and pointed roofs. The overall atmosphere is lively and festive.

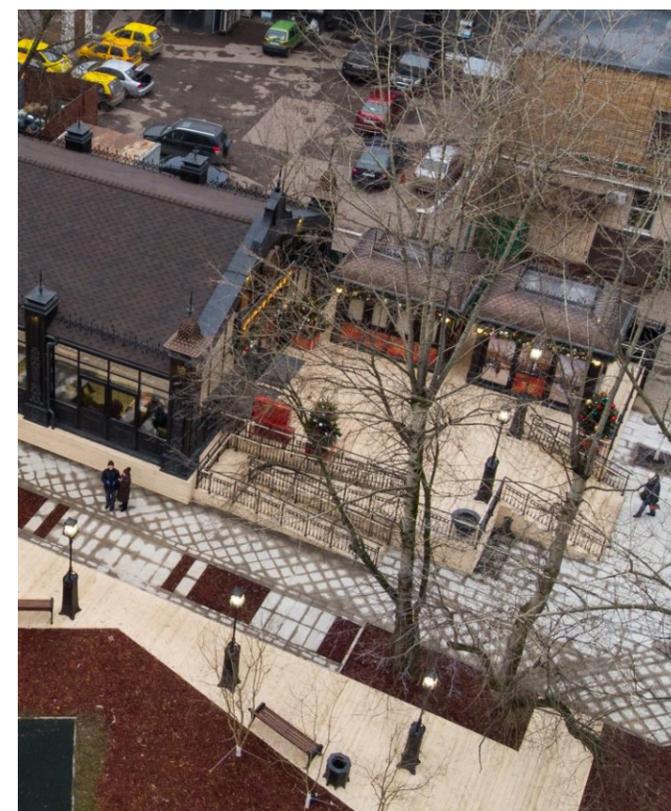

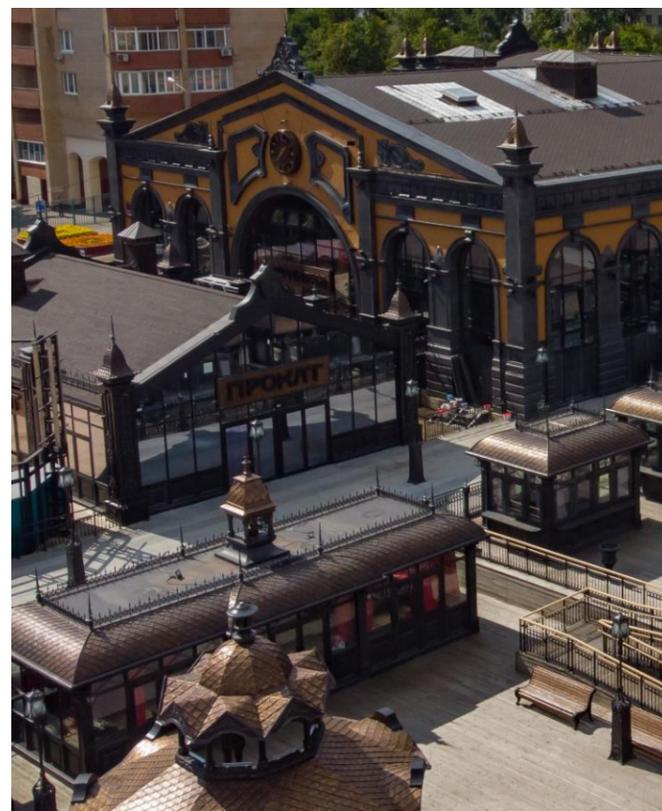

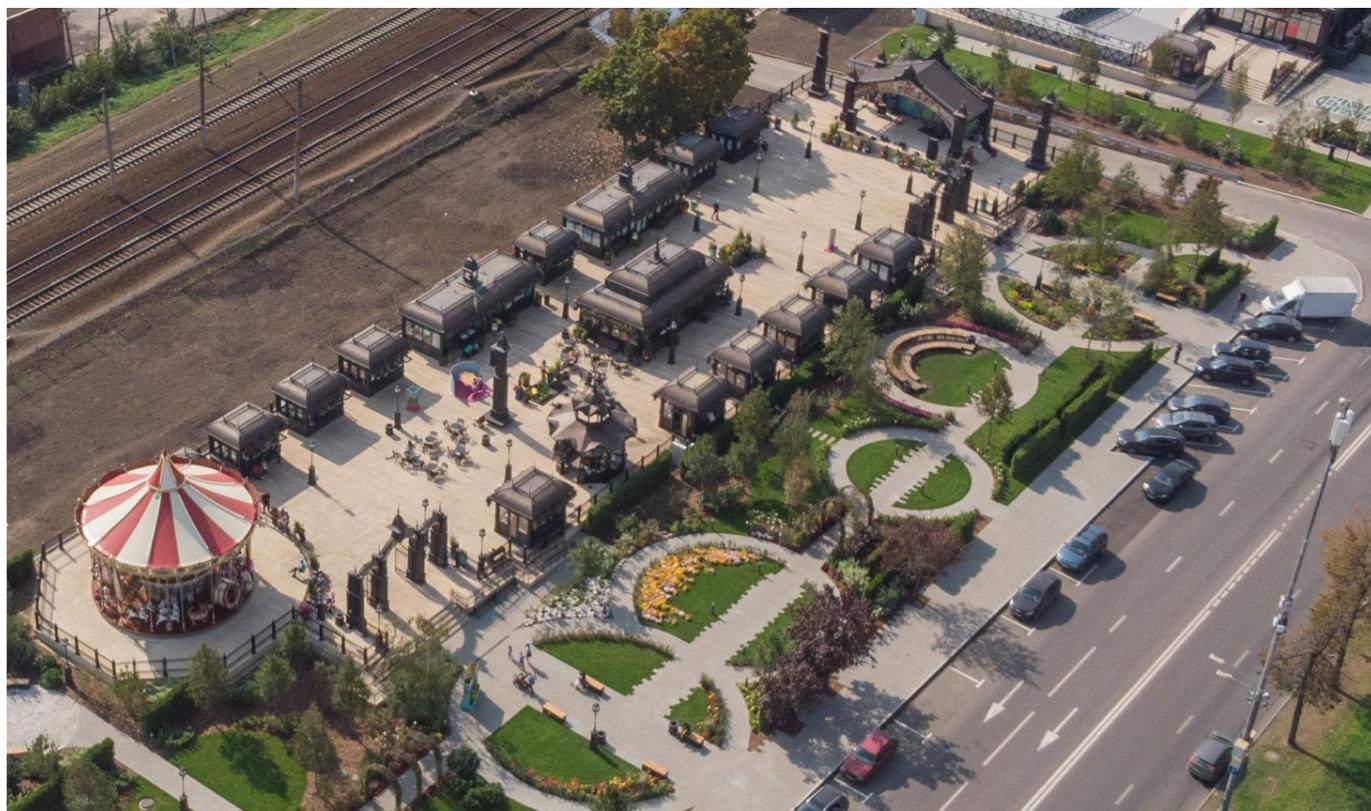

Проекты формирующие впечатления

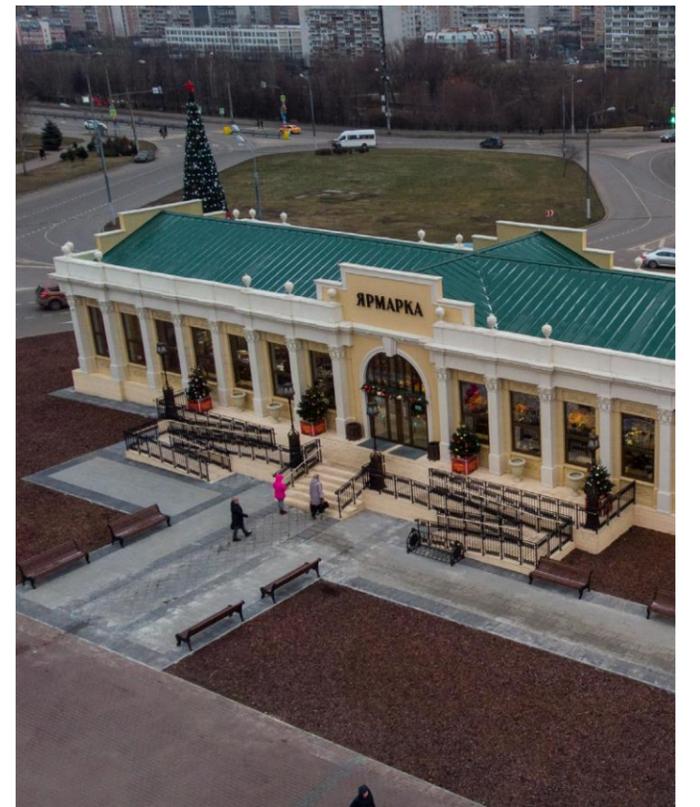

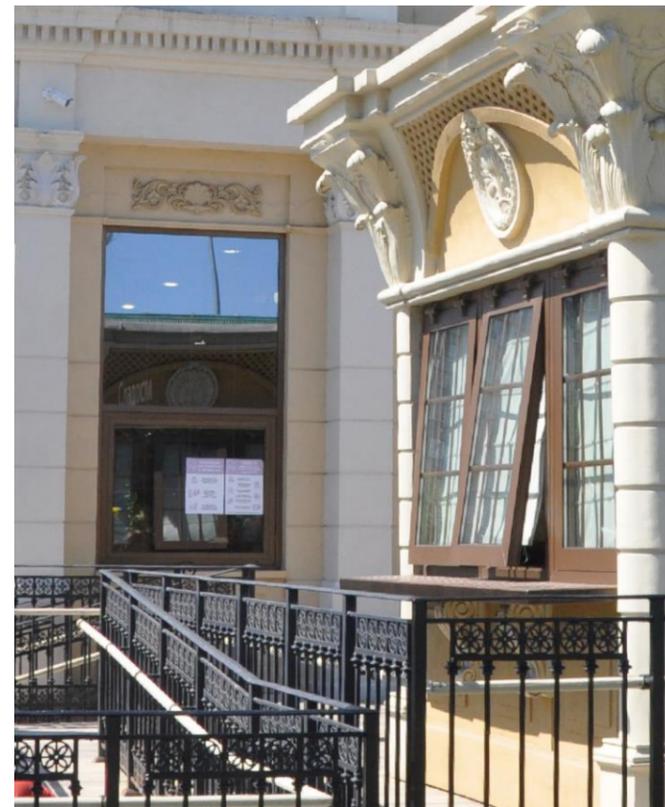

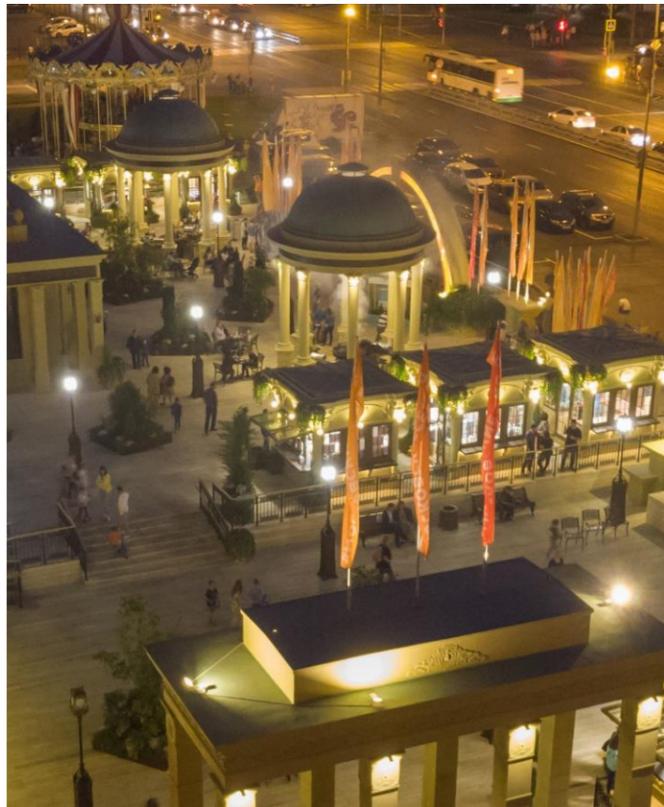

- применение некапитальных сооружений для создания стилизованных общественных пространств

Привлекают внимание, добавляя в жизнь элемент сценографии, превращают среду в фотозону, обычный день в событие!
